

92 FSS/FSK Marketing Office

What do we do? We do our best to make sure that everyone who has authorized accessibility to Fairchild Air Force Base knows what events or services the Force Support Squadron (FSS) has for them and also help to provide funding (through sponsorship) to those events.

Part of what FSS does is schedule morale, welfare and recreation (remember the MWR days?) events for folks who serve or have served our country and their families. We hold the responsibility of getting that word out about these events very close to our hearts since all the employees in the Marketing office have direct military connections and we know, firsthand, the importance of MWR.

So, we work diligently on the Fairchildfun.com, The Link and all other avenues of advertising in keeping you, our customer, informed.

If you have any suggestions on how we can help get the word to you, feel free to [Contact Us](#) via email or call (509) 247-5302.

If you are a local business and would like to find out about helping to fund our MWR events or advertising your business to the folks of Fairchild Air Force Base, check out the [advertising](#) or [sponsorship & donations](#) informational pages.
