

# Tanker Tails Dog & Cat Kennel

## Welcome

In support of the mission and the security of Team Fairchild, Tanker Tails will be temporarily closed for a period of several months. The Security Forces' K-9 Unit Kennel is receiving much needed renovations and need our beautiful facility to house their hard-working canines until the construction is completed. These dogs and their handlers serve a vital role in keeping us all safe here at Fairchild, and we are honored to have the privilege of giving back to them in their time of need.

Tanker Tails Kennel is a home away from home for your dog and/or cat, regardless of size or breed, 365 days a year. There are 12 runs, two small dog condos and 12 cat condos. The 12 large dog runs can accommodate multiple pets in the same family. Tanker Tails is staffed seven days a week to better accommodate your pet. All pets receive play time twice daily and dogs also receive walks. Pets must have up-to-date vaccine records. Space is limited and based on first come first served. Call Tanker Tails at 247-4699 for reservations or questions. Like us on [facebook](#).
