

Youth Center

Welcome

Fairchild Youth Center offers Before and After School care Monday through Friday as well as full-day care during Medical Lake School District breaks (summer, winter, etc.). Fairchild Youth Center is located in the community area, near the football field and the Fitness Center. Fairchild Youth Center is affiliated with the Boys and Girls Clubs of America and partners with Washington State 4-H. Examples of curriculum from these partnerships include activities focused on STEM, Healthy Lifestyles, and Academic Success. All programs are designed to enrich your child's social, cognitive, emotional, physical, and intellectual growth and development. Our staff works in partnership with parents to meet each individual child's needs in a safe, healthy and nurturing environment. During the school year, Fairchild Youth Center provides transportation to and from Michael Anderson Elementary School which is located on Fairchild AFB.

Fees: Youth Center childcare fees vary, based on total family income. Please see Childcare Fees for Fairchild AFB to view income categories and corresponding fees.

Please call the Youth Center at (509) 247-5601 with any further questions.
