

Discover Your Inner Artist at Arts & Crafts

A walk into the Arts & Crafts Center is like stepping into a creative fantasyland. They've got everything to stimulate your imagination. They can also make great retirement or going-away gifts with shadowboxes and other specialty items. Arts & Crafts, Engraving and the Frame Shop, are all in one convenient location, just come on in and they can assist.

Arts & Crafts Classes – Take a class (see p. 14), bring in your own project, schedule a private event for your organization, or group of friends. Treat your kids to a Birthday Party full of craft fun!

Framing Class – The class is designed for beginners and teaches all the skills needed to frame your own artwork while saving up to 50% off of custom framing.

Frame Shop – Prefer that an expert do the framing? Bring in your artwork, photos, or special keepsake and Chrissy will take care of all of it for you. Call 247-3038.

Engraving Shop – Engraving is done on-site for awards, trophies, plaques and customized gifts. Holly can laser engrave a wide variety of items and can also make rubber stamps. Call 247-2434.
