Get every
vehicle
inspected
before the
snow falls!

Call 247-2310
today to make
an appointment!

Did You Know???

 Studded snow tires are legal from Nov. 1 to March 30 and we can put them on for you.

 We can make sure you have the right type of chains and teach you how to put them on before you go over the pass.

 We can check your battery or service engine light for FREE.

If your spouse is deployed or will be, you can get a voucher from the Airman and Family Readiness Center for a FREE oil change / safety inspection that would include a winterization of your vehicle at the Auto Hobby Shop.

According to accuweather.com, Spokane will see our first snow showers on November 5.
Do you think they're right?
