Example: Item picked up Thursday at noon and returned Tuesday at 11 a.m. This item would be charged a weekend plus two days. Holiday rates apply when the weekend is accompanied by a holiday. Note: Family Days are NOT considered holidays.

Reservations

Travel trailers, boats, grills and utility trailers can be reserved up to 30 days in advance. All other items are checked out on a first come, first served basis.

Reservation Cancellations

All cancellations must be made at least 48 hours before scheduled pick up or you will be charged ONE FULL DAY'S RENTAL for that item.

Rental Equipment Damages and Delinquencies

BE AWARE! The user is responsible for full restitution of value of any equipment lost, damaged or stolen. If you cannot return the items on schedule, contact our office to explain the situation; this may prevent additional charges.

ALL ITEMS ISSUED WILL BE CHECKED UPON RETURN!

Please Inspect Each Item Checked Out Before Leaving the Facility

Please take proper steps to inspect all equipment before you check it out and notify a staff member of any obvious damages or lack of cleanliness; this may prevent additional charges.

If no problem is noted on the receipt, it will be assumed the equipment is issued in good, clean, damage-free condition. Damage or loss of any items will be charged to the user for the cost to repair or replace the item in accordance with base regulations.

Refunds

Refunds will be issued ONLY by approval of the Director of Outdoor Recreation. Other than special circumstances (i.e. medical emergency, deployment or other military job related tasking), absolutely NO refunds will be issued. Proper official documentation is required for special circumstances.
