THE CREW AT OUTDOOR REC HAVE OVER 100 YEARS OF COMBINED OUTDOOR EXPERIENCE, IF YOU DON'T KNOW WHAT TO DO OUTSIDE **WE CAN HELP!**

Excitement, challenge and education is what Outdoor Recreation is all about. Damian and his team are professionally-trained and knowledgeable and are armed with all the information, equipment and access you need to get outdoors and enjoy the infinite natural wonders of the Inland Northwest.

Outdoor Recreation has an outstanding resale program. Come in and check out the inventory as well as the Resource Center for guide books, instructional books, road atlases and gazeteers. Plan your own trip by using these materials or purchase them for future use. The Resource Center is open during the Outdoor Recreation Center's (ORC) normal business hours. Call 247-5920 for details.

WE HAVE OUR OWN WEATHER PREDICTIONS!

Based on more than seeing a shadow, ORC has made their own predictions to better your outdoor experience. "We will have an extended winter going into March with colder than normal temperatures. Not saying there will be extended snow on the ground but it will not be very warm. That will be followed by very rainy late March and April." - Damian
